PROPERTY DESCRIPTION

This 2-story home in Bloomington won't be around for long! You will find 4 bedrooms, 3 baths, a large kitchen and a huge backyard. Beautiful decor, a spacious floor plan and unique features can be found throughout. A convenient location near parks and schools make this home a must see. Quality and pride of ownership is obvious from top to bottom!

MAIN LEVEL:

FRONT ENTRY leads into this beautiful home with glass filled doors, ceramic tile floors and easy access to the main and upper levels.

FLEX ROOM presents as a living room with a bright and open area, many large windows on two walls, beautiful french doors and enough space for an office, sitting room or whatever you needs may be.

DINING ROOM features a wall of large windows, a beautiful light fixture, easy access to the kitchen and space for a nice size table.

CHEF'S KITCHEN is one you never knew that you needed! This room boasts a multitude of raised panel oak cabinets, a ceramic tile backsplash, stainless steel appliances with a flat top range and a peninsula island/breakfast bar. Recessed lighting, a desk with extra cabinet space and direct access to the dinette makes this area easy to use every day.

DINETTE is a convenient space that you will enjoy. Located off the kitchen, this large area shows a gorgeous light fixture, a large door leading to the deck and windows filling the room with bright, natural light.

SPACIOUS FAMILY ROOM is a beautiful and cozy area that will make you feel right at home. This room features a gorgeous wood burning fireplace with a huge stone surround and hearth. This unique space offers large windows and an extra area for your convenience.

$\frac{1}{2}$ **BATH** is a nice sanctuary that you and your guests will enjoy. A cultured marble sink, oval mirror and plenty of counter space makes this room complete.

UPPER LEVEL:

OWNER'S SUITE provides a spacious and private getaway with tasteful décor, two large closets, a ceiling fan/light and a wall of windows opening up the room with natural light. Walk right into your master bath haven and you won't want to leave.

MASTER BATH features ceramic tile floors, a cultured marble sink, a stand-up shower and a large window. You will love having this private area.

TWO ADDITIONAL BEDROOMS are spacious and offer neutral paint, large closets and bright windows offering plenty of natural light. You will appreciate these room sizes!

BEDROOM/OFFICE offers the opportunity to make this room work for you. Shown as an office, this room provides a walk-in closet and enough space as a fourth bedroom.

MAIN BATH has a nice tub/shower combination with ceramic tile surround, a cultured marble sink, a vanity with full width mirror and ceramic tile floors.

LOWER LEVEL

ENTERTAINMENT AREA is a huge space that offers a multitude of opportunities. This fantastic room was custom designed and features a pool table, unique flooring, overhead lighting and a bar area. This area is perfect for a fun night at home or a large get together with friends or family.

STORAGE/LAUNDRY offers a large and convenient space for all your needs. A very convenient laundry shoot leads directly to this room from the upper two levels.
